It is a matter of immense delight for me to know that your college is going to publish the college magazine .

College magazine is a very useful medium for young minds to express their bristling ideas and thoughts. It gives a chance to students, the budding writers, to get the attention of others through their creative and contemporary writings. It is an essential ingredient of college regular activities and documentation of such events. The true purpose of higher education is to open the horizons for the curious young minds and to refine and polish them in such a way that they become responsible citizens of our country.

I wish your college a great future and grand success to the college magazine. I also congratulate the Editor(s) of the magazine and wish everyone all the best in their ventures.

Jai Hind.

Dr. Amarjeet K. Sharma

Message

Principal's Message....

With immense pleasure I address you all through the inaugural issue of **SAHASTRADHARA**, a vibrant platform showcasing the various achievements of our institution. This magazine serves as a testament to the rich panorama of our college's creativity, knowledge, and community spirit.

Every child is potentially the light of world. Every child possesses a possibility which only needs to be explored, identified, unfolded and projected. Our philosophy is to explore and enhance the inherent talent of our students, energize their faculties and equip them with resilience of character to respond to future challenges. We strive to motivate our pupils to grow up with positive attitudes, to be good at heart, rich in moral values, systematic in planning and smart in action.

Education does not mean merely acquiring knowledge, amassing and correlating facts and figures or specializing in some field. Education, for us, means value based education which develops the overall personality of the pupils.

A College magazine is a mirror which reflects the activities undertaken by various departments, clubs and cells of the college. It develops writing skills among students in particular and teaching faculty in general. I congratulate the Editorial Board who have played a brilliant role in accomplishing the task in Record time.

My heartfelt Congratulations to staff members and Students for their fruitful effort. With Best Wishes.

Dr. Ritu Pant
Principal

Message

Editor's Note....

In my journey of being the chief editor for the inaugural issue of SAHASTRADHARA 2024-25 I was constantly amazed at the zeal and enthusiasm of our students. While reviewing the articles written by students, I was awestruck their fresh and unbiased perspectives on the world around them. It has been my privilege to get an opportunity to mentor young minds.

SAHASTRADHARA is being launched to provide a great platform for our students to unleash their inner creativity and talent. Students have contributed to it by writing articles and poetry. These are life skills which shape an individual's personality and hone their expression. Academics is a small part of student life. Cultivating creative interests and hobbies is equally important and acts as a stress buster.

Even if the students haven't contributed to the magazine, just by reading the magazine and appreciating their peers' works motivates them to create. The magazine also familiarises the parents with the various activities going on in the college through the magazine.

I would like to thank the editorial team who worked round the clock tirelessly and probatively to bring the magazine to you.

I would like to thank our beloved students who contributed to the magazine through their write-ups and by participating in the various activities organized throughout the academic session 2024-25.

Thank you

Dr. Dipali Sharma Bhandari
Chief Editor

Message

Sub-Editor's Note....

As a Sub Editor of the college magazine "Sahastradhara" I am very happy to work to be part of this magazine. This is the first magazine of our college. I want to say to every student of college that writing is a powerful tool for self-expression. Share your thoughts, experiences, and ideas with us, and inspire others to do the same. Your words have the power to inspire, educate, and entertain. Write for our college magazine and share your unique perspective with the world. Writing is a great way to develop your creativity, critical thinking, and communication skills.

Students, we invite you to share your writing with us. Whether it's a story, poem, or article, we want to hear from you. Writing is a great way to express yourself, share your ideas, and connect with others.

Don't be afraid to share your thoughts and ideas with us. We want to hear from you and help you develop your writing skills.

Dr. Susheel Tomar
Department of Political Science

सन्देश

संपादिका की कलम से ...

महाविद्यालय पत्रिका 'सहस्रधारा' के हिंदी विभाग की संपादिका के रूप में, मैं खुद को इस पत्रिका का हिस्सा बनकर गौरवान्वित महसूस कर रही हूँ। यह इस महाविद्यालय की प्रथम पत्रिका है। लेखन आत्म अभिव्यक्ति का सबसे महत्वपूर्ण हथियार है, अतः मेरी महाविद्यालय के प्रत्येक छात्र से यह गुजारिश है कि वह अपने विचार और अनुभव को हमारे साथ साझा करें। इन अनुभव को आप कहानी, कविता, लेख या चुटकुलों के माध्यम से हमारे साथ बांट सकते हैं। लिखना सिर्फ विचारों को दर्ज करना नहीं है बल्कि यह हमारे अंदर की सर्जनात्मकता, रचनात्मक, आलोचनात्मक सोच और संचार कौशल को विकसित करने का एक शानदार तरीका है। जब आप विचारों और भावनाओं को शब्दों में पिरोते हैं तो आप खुद को और अपने अनुभव को बेहतर ढंग से समझ पाते हैं। आधुनिकता और तकनीकी के दौर में बहुत से युवा तनाव से जूझ रहे हैं। ऐसे समय में लेखन कौशल एक ऐसा माध्यम जिसके द्वारा वे अपनी भावनाओं को अभिव्यक्त करके, सकारात्मकता के साथ चुनौतियों का सामना कर सकते हैं।

अतः आप अपने विचारों और सुझाव को हमारे साथ निसंकोच होकर साझा करें। जिससे हम आपकी अभिव्यक्ति और लेखन कौशल को विकसित करने में सहायता कर सकें।

धन्यवाद

Wisdom from Panchtantra

In the rich tapestry of ancient Indian literature, the Panchatantra stories hold a special place. Dating back over two millennia, these fables continue to captivate readers of all ages with their timeless wisdom and moral lessons. Let's explore the reasons why Panchatantra stories are not only good but essential for personal growth, moral development, and the nurturing of valuable life skills.

Moral Education:

Panchatantra stories serve as powerful tools for moral education. Each story encapsulates a moral or ethical dilemma, presenting it through the lives of animals and other characters. Through engaging narratives, these tales impart valuable life lessons, teaching virtues such as honesty, kindness, loyalty, patience, and the consequences of greed and dishonesty. By exploring different scenarios and outcomes, readers are encouraged to reflect on their own actions and make better choices in their lives.

Character Development:

The characters in Panchatantra stories are often anthropomorphized animals, each representing distinct personality traits. By personifying these traits, the stories provide valuable insights into human nature and behavior. Readers can identify with the characters, recognize their own strengths and weaknesses, and gain a deeper understanding of the consequences of their actions. This self-reflection promotes character development, empathy, and a sense of personal responsibility.

Cultural Heritage and Diversity:

Panchatantra stories offer a glimpse into the rich cultural heritage of ancient India. They reflect the diversity of Indian society and the wisdom of its people. These tales have been passed down through generations, transcending time and geographic boundaries. By engaging with Panchatantra stories, readers can appreciate different cultural perspectives, broaden their horizons, and foster an appreciation for diversity and inclusivity.

Critical Thinking and Problem-Solving Skills:

Panchatantra stories are not merely moral tales; they also encourage critical thinking and problem-solving skills. The narratives often present complex situations where characters face challenges and dilemmas. Readers are prompted to analyze the situation, consider different perspectives, and evaluate the consequences of various choices. This analytical thinking cultivates a sharper intellect and equips readers with valuable problem-solving skills applicable to real-life scenarios.

Entertainment and Imagination:

Beyond their didactic purpose, Panchatantra stories are inherently entertaining. The vivid descriptions, clever dialogues, and engaging plots make them enjoyable to read or listen to. By captivating readers' imaginations, these stories create a lasting impact, embedding the moral lessons deep within their consciousness. The combination of entertainment and education ensures that the wisdom of the Panchatantra stories endures across generations.

The Panchatantra stories have stood the test of time, captivating readers of all ages with their universal wisdom and moral teachings. These tales offer more than entertainment; they foster moral education, character development, critical thinking, and problem-solving skills.

By immersing ourselves in the world of Panchatantra, we embark on a journey of personal growth, cultural understanding, and the nurturing of valuable life skills. Let us embrace these timeless stories and cherish the enduring wisdom they offer.

Interesting facts for everyone

- Australia is wider than the moon.
- Venus is the only planet to spin clockwise.
- Human teeth are the only part of the body that cannot heal themselves.
- Lemons float, but limes sink.
- The Eiffel Tower was originally made for Barcelona.
- It would take 19 minutes to fall to the center of the Earth.
- The real name for a hashtag is an octothorpe.
- The longest English word is 189,819 letters long.
- The tiny pocket in jeans was designed to store pocket watches.
- Penicillin was first called “mold juice.”
- The first commercial passenger flight lasted only 23 minutes.
- No number before 1,000 contains the letter A.
- There were active volcanoes on the moon when dinosaurs were alive.
- Sudan has more pyramids than any country in the world.
- The circulatory system is more than 60,000 miles long.
- The Pope can't be an organ donor.
- It's impossible to hum while holding your nose.
- Africa is the only continent in all four hemispheres.
- All mammals get goosebumps.
- Japan has one vending machine for every 40 people.
- Finland has more saunas than cars.
- The longest time someone has spent holding their breath underwater is 24 minutes and 37 seconds.
- Avocados are actually fruits, not vegetables.
- NFL Super Bowl referees also get Super Bowl rings.
- It's illegal to own only one guinea pig in Switzerland.
- The average cloud weighs over one million pounds.
- Wearing a necktie could reduce blood flow to your brain by up to 7.5 percent.
- Animals can also be allergic to humans.
- Finland has ranked as the happiest country in the world for 7 years straight.
- Bottlenose dolphins are the only other species to have names for themselves.
- Your brain alone burns around 400 to 500 calories each day.
- Approximately 10% of people are left-handed.
- Besides water, tea is the most popular beverage worldwide.
- Your heart beats an average of 100,000 times each day.
- The first animals to travel to outer space were fruit flies.

Ten Useful Plants for Every Home

All plants are essential, but some have more regular uses than others. The plants we eat, apply on our skin, and use for religious or medicinal purposes are great to have in our homes. India is home to 45000 known plant species used for various purposes, but these 10 species are a must-have in our homes.

1. Tulsi

Also known as Holi Basil, Tulsi is an excellent medicinal plant with antioxidants and anti-fungal properties. You can use it in your regular tea or beauty product, or simply chewing the leaves will help you fight indigestion, cough, cold, diabetes and bronchitis.

2. Curry leaves

Curry leaves or kadhi patta is an everyday kitchen delicacy and one of the most useful plants. You will need it while frying nearly anything; your food will have that unique aromatic flavor. Curry leaves are great indoor plants for home. They quickly grow under the yellow sun and easily adapt to Indian weather. These leaves are also rich in high fiber content that promotes weight loss and helps you relieve diabetes, indigestion and cholesterol.

3. Aloe vera

Aloe vera is already famous. You can apply it on your skin or mix its pulp to prepare aloe vera juice. The plant doesn't need a lot of water or sunlight. It grows quickly, includes antioxidant and antimicrobial that helps to maintain blood sugar levels and show positive results on ulcers and constipation.

4. Coriander

Most dishes are incomplete without a garnishing of coriander leaves. Also, you can mix them with green chilies and ginger to prepare green chutney. These are very useful plants for home and include many essential nutrients.

Regular consumption of coriander leaves will help to lower blood sugar levels and cholesterol and helps you get a healthy liver for better digestion.

5. Mint

Mint leaves deliver a cooling sensation and are widely used to garnish food items and prepare drinks; mint chutney is pretty famous among Indians. Various readymade drinks are also mint flavored. Growing these plants requires moist soil, warm temperature and bright or partial sunlight. They help in good digestion, improve brain function and provide a quick solution to bad breath.

6. Ajwain

Ajwain or carom seeds are beautiful plants for home with multiple uses. Their strong aromatic flavor can make any Indian curry recipe tasty. Additionally, it has multiple health benefits.

Regular consumption of Ajwain helps to control bad cholesterol, blood pressure, and poor digestion and also shows positive effects on the common cold and cough.

7. Giloy

Giloy is majorly used as an ayurvedic medicine in Indian homes. Make a paste of Giloy stems and mix it in boiling water. It helps to clear the throat and relieve cough. The remedy became famous during covid-19 but is still famous, and Giloy is considered among the best plants to grow at home.

The plant proliferates in a pot but requires regular maintenance. It also helps treat dengue, indigestion, poor heart conditions and diabetes.

8. Lemon Grass

Most people consume lemon grass with their regular tea.

Lemon grass helps reduce menstrual and abdominal pain and positively affects digestion, diarrhea, constipation, and gut-related diseases.

9. Lavender

Lavenders are fantastic flower plants that fill your home with a fragrance and include multiple medicinal benefits. These plants are widely used to prepare essential oil and various cosmetic products.

They also contain anti-inflammatory properties that help in healing bug bites and burns.

Lavender oil shows proven positive results in curing anxiety, stress, insomnia and depression. It may help you with digestive issues.

10. Ashwagandha

You might have heard various brands advertising their tea containing Ashwagandha. It's a 3000-year-old ayurvedic medicine that helps relieve depression and reduce stress. Roots and berries are an essential part of this plant.

Laughter is The Best Medicine

A man goes to the doctor and says, "Doctor, wherever I touch, it hurts."

The doctor asks, "What do you mean?"

The man says, "When I touch my shoulder, it really hurts. If I touch my knee - OUCH! When I touch my forehead, it really, really hurts."

The doctor says, "I know what's wrong with you - you've broken your finger!"

Rohan: Why are you crying?

Raj: The elephant is dead.

Rohan: Was he your pet?

Raj: No, but I'm the one who must dig his grave.

A teacher asked a student to write 55.

Student asked: How?

Teacher: Write 5 and beside it another 5!

The student wrote 5 and stopped.

Teacher: What are you waiting for?

Student: I don't know which side to write the other 5!

A: When I stand on my head the blood rushes to my head, but when I stand on my feet the blood doesn't rush to my feet. Why is this?

B: It's because your feet aren't empty.

Teacher: What are some products of the West Indies?

Student: I don't know.

Teacher: Of course, you do. Where do you get sugar from?

Student: We borrow it from our neighbor.

Two factory workers are talking. John says, "I can make the boss give me the day off."

Tom replies, "And how would you do that?"

John says, "Just wait and see." He then hangs upside-down from the ceiling.

The boss comes in and says, "What are you doing?"

John replies, "I'm a light bulb."

The boss then says, "You've been working so much that you've gone crazy. I think you need to take the day off."

Tom starts to follow John and the boss says, "Where are you going?"

Tom says, "I'm going home, too. I can't work in the dark."

Interesting Facts About India

- India never invaded any country in her last 100000 years of history.
- When many cultures were only nomadic forest dwellers over 5000 years ago, Indians established Harappan culture in Sindhu Valley (Indus Valley Civilization)
- The name 'India' is derived from the River Indus, the valleys around which were the home of the early settlers. The Aryan worshippers referred to the river Indus as the Sindhu.
- The Persian invaders converted it into Hindu. The name 'Hindustan' combines Sindhu and Hindu and thus refers to the land of the Hindus.
- Chess was invented in India.
- Algebra, Trigonometry and Calculus are studies, which originated in India.
- The 'Place Value System' and the 'Decimal System' were developed in India in 100 B.C.
- The world's first granite temple is the Brihadeswara Temple at Tanjavur, Tamil Nadu. The shikhara of the temple is made from a single 80-tonne piece of granite. This magnificent temple was built in just five years, (between 1004 AD and 1009 AD) during the reign of RajarajaChola.
- India is the largest democracy in the world, the 7th largest country in the world, and one of the most ancient civilizations.
- The game of Snakes & Ladders was created by the 13th century poet saint Gyandev. It was originally called 'Mokshapat'. The ladders in the game represented virtues and the snakes indicated vices. The game was played with cowrie shells and dices. In time, the game underwent several modifications, but its meaning remained the same, i.e. good deeds take people to heaven and evil to a cycle of re-births.
- The world's highest cricket ground is in Chail, Himachal Pradesh. Built in 1893 after levelling a hilltop, this cricket pitch is 2444 meters above sea level.
- India has the largest number of post offices in the world.
- The largest employer in India is the Indian Railways, employing over a million people.
- The world's first university was established in Takshila in 700 BC. More than 10500 students from all over the world studied more than 60 subjects. The University of Nalanda built in the 4th century was one of the greatest achievements of ancient India in the field of education.
- Ayurveda is the earliest school of medicine known to mankind. The Father of Medicine, Charaka, consolidated Ayurveda 2500 years ago.
- India was one of the richest countries till the time of British rule in the early 17th century. Christopher Columbus, attracted by India's wealth, had come looking for a sea route to India when he discovered America by mistake.
- The Art of Navigation & Navigating was born in the river Sindh over 6000 years ago. The very word Navigation is derived from the Sanskrit word 'NAVIGATI'. The word navy is also derived from the Sanskrit word 'Nau'.
- Bhaskaracharya rightly calculated the time taken by the earth to orbit the Sun hundreds of years before the astronomer Smart. According to his calculation, the time taken by the Earth to orbit the Sun was 365.258756484 days.
- The value of "pi" was first calculated by the Indian Mathematician Budhayana, and he explained the concept of what is known as the Pythagorean Theorem. He discovered this in the 6th century, long before the European mathematicians.

- Algebra, Trigonometry and Calculus also originated in India. Quadratic Equations were used by Sridharacharya in the 11th century. The largest numbers the Greeks and the Romans used were 106 whereas Hindus used numbers as big as 10^{53} (i.e. 10 to the power of 53) with specific names as early as 5000 B.C. during the Vedic period. Even today, the largest used number is Terra: 10^{12} (10 to the power of 12).
- Until 1896, India was the only source of diamonds in the world (Source: Gemological Institute of America).
- The Baily Bridge is the highest bridge in the world. It is located in the Ladakh valley between the Dras and Suru rivers in the Himalayan mountains. It was built by the Indian Army in August 1982.
- Sushruta is regarded as the Father of Surgery. Over 2600 years ago Sushruta and his team conducted complicated surgeries like cataract, artificial limbs, cesareans, fractures, urinary stones, plastic surgery and brain surgeries.
- Usage of anaesthesia was well known in ancient Indian medicine. Detailed knowledge of anatomy, embryology, digestion, metabolism, physiology, etiology, genetics and immunity is also found in many ancient Indian texts.
- India exports software to 90 countries.
- The four religions born in India - Hinduism, Buddhism, Jainism, and Sikhism, are followed by 25% of the world's population.
- Jainism and Buddhism were founded in India in 600 B.C. and 500 B.C. respectively.
- Islam is India's and the world's second largest religion.
- There are 300000 active mosques in India, more than in any other country, including the Muslim world.
- The oldest European church and synagogue in India are in the city of Cochin. They were built in 1503 and 1568 respectively.
- Jews and Christians have lived continuously in India since 200 B.C. and 52 A.D. respectively.
- The largest religious building in the world is Angkor Wat, a Hindu Temple in Cambodia built at the end of the 11th century.
- The Vishnu Temple in the city of Tirupathi built in the 10th century, is the world's largest religious pilgrimage destination. Larger than either Rome or Mecca, an average of 30000 visitors donate \$6 million (US) to the temple every day.
- Sikhism originated in the Holy city of Amritsar in Punjab. Famous for housing the Golden Temple, the city was founded in 1577.
- Varanasi, also known as Benaras, was called "the Ancient City" when Lord Buddha visited it in 500 B.C., and is the oldest, continuously inhabited city in the world today.
- India provides safety for more than 300000 refugees originally from Sri Lanka, Tibet, Bhutan, Afghanistan and Bangladesh, who escaped to flee religious and political persecution.
- His Holiness, the Dalai Lama, the exiled spiritual leader of Tibetan Buddhists, runs his government in exile from Dharmashala in northern India.
- Martial arts were first created in India, and later spread to Asia by Buddhist missionaries.
- Yoga has its origins in India and has existed for over 5000 years.

Things To Know About Himachal Pradesh

- The state was incepted on 15th April, 1948 by the integration of 28 princely states with four districts of Chamba, Mandi, Sirmour, and Mahasu. On the 25th of January, 1971, it got complete statehood as the 18th state of the country.
- The most beloved, preferred and exciting mode of travel to Shimla is by the Kalka-Shimla Railway, more commonly referred to as the Toy Train. The site has been declared as a World Heritage Site by UNESCO, and also holds the felicity of the world record of covering the steepest slope (5816 ft) in the least distance of only 96 km.
- The impressive Kalka-Shimla express runs through a long and beautiful massive stretch of 806 bridges, 103 tunnels, and 18 stations.
- Himachal Pradesh holds the title of being the second least corrupt state of India after Kerala.
- The state has 11th rank in literacy rate in the country, with a rate of 83.78%! Beautiful and smart, that's the dream! It also has 37,033 sq km of forest area, which spans over 66% of the total area of Himachal Pradesh.
- Kasol in the state of Himachal Pradesh is famously titled 'Mini Israel'. This is because of multiple fascinating coincidences. Most of the tourists visiting this location are of Israeli origin. Even a majority of the shops and inns bear hoarding in Hebrew language.
- The magnificent Shigri Glacier in Lahaul-Spiti is the largest glacier in all of Asia! Over the years, the glacier has attracted a lot of attention due to valuable antimony deposits in the area.
- The Manali-Leh National Highway is the highest motor-able road in the world.
- The Toy Train isn't the only World Heritage Site Himachal is bestowed with. The Great Himalayan National Park in Kullu is also one. Established in 1984, it is home to more than 375 fauna species and various flora.
- Malana is an ancient village in the north-east section of Kullu Valley. It is considered to be one of the oldest democracies in the world and has its own set of Greek-resembling beliefs and ways. The fairly unexplored and untouched village is also known as The Village of Taboos.
- Himachal Pradesh is known as the land of deities? Almost every village in the state is known to have its Gods, Goddesses, rituals, and worship methods!
- The state is home to the Shanan Power house in Joginder Nagar. The power house was built in 1896 and was the first Power Station of Asia! It has a vast potential of Hydro Power generation with an estimated capacity of 25,000 MW. Many other projects are under construction to glean power from the same.

- On July 2, 2013, the state was declared as the first smoke-free state of the country. Smoking in public places is strictly prohibited in Himachal Pradesh
- Himachal Government imposed a ban on the production, storage, use, sale, and excessive distribution of polythene bags of all kinds made of non-biodegradable materials, effectively immediately October 2, 2009 onwards.
- Solan, a lovely hill town in Himachal, is popularly known as the 'Mushroom City' due to its unrestricted mushroom production. It is also one of the fastest growing hill towns in all of Asia.
- Khajjiar is a hill station in the Chamba district of Himachal Pradesh. The hill station, replete with lovely sceneries, was brought to the world tourism map by Mr. Willy T. Blazer, Vice Counselor and Head of Chancery of Switzerland, when he referred to the beautiful nook as 'Mini Switzerland'.
- Himachal Pradesh is the country's second largest producer of apples in the country after Jammu & Kashmir. The state has a rich collection of over 450 cultivars of apples. Annually, Himachal produces over 4 lac tons of apples!
- The state is replete with nine national highways, 19 state highways, and 45 major district roads!

11 Facts About Human Body

1. Your eyes blink around 20 times a minute. That's over ten million times a year!
2. Your ears never stop growing!
3. Earwax is actually a type of sweat!
4. The tongue is covered in about 8,000 taste-buds, each containing up to 100 cells helping you taste your food!
5. You are about 1cm taller in the morning when you first get up than when you go to bed. This is because during the day the soft cartilage between your bones gets squashed and compressed.
6. If you walked for 12 hours a day, it would take the average person 690 days to walk around the world.
7. The only muscle that never tires is the heart.
8. The entire surface of your skin is replaced every month, which put another way means you have about 1,000 different skins in your life!
9. The body has 2.5 million sweat pores.
10. Every minute you shed over 30,000 dead skin cells.
11. If you live to age 70, your heart will have beat around 2.5 billion times!

Muskan, Roll no. 21329 Class: BA III

Varanasi:

The oldest and continually inhabited city in the world

Also known as Kashi or Banaras, Varanasi is one of the oldest cities in the world that is brimming with thousands of years of history and still thriving. Located on the banks of the river Ganges, Varanasi is a sacred city in Uttar Pradesh that serves as an important centre of Hindu pilgrimage, poetry, culture, and mysticism. In the words of Mark Twain, *“It is older than history, older than tradition, older even than legend, and looks twice as old as all of them put together.”*

Varanasi is a picturesque place that holds immense significance among tourists for its cultural significance and the river Ganges. There are over 100 *ghats* in Varanasi, with stairs leading to the river front. Seeing sadhus and priests worshipping or meditating in the morning and evening hours is a common spectacle. However, the *Manikarnika Ghat* is the most attention-grabbing due to its elaborate crematory rituals.

Tanisha, Roll no. 21101, Class BA III

Scope of English Language Studies

English language studies have a rich historical background and a wide scope. The study of English encompasses various aspects, including grammar, vocabulary, pronunciation, reading, writing, and listening skills. It involves the exploration of literature, language analysis, and cultural understanding. English language studies offer a comprehensive understanding of the language's structure, usage, and evolution. The scope of English language studies extends beyond the boundaries of traditional classroom education. With advancements in technology and globalization, online platforms and language centres have emerged as valuable resources for language learning. These platforms provide interactive learning experiences, allowing individuals to develop their English language skills at their own pace.

Importance of English language

The importance of English in our life cannot be overstated in today's interconnected world. Here are some compelling reasons why English is important in our life:

1. **Global Communication:** English is the most widely spoken second language globally, making it a bridge language that connects people from different cultures. Proficiency in English enables individuals to communicate effectively with people from diverse backgrounds, fostering international understanding and collaboration.
2. **Education Opportunities:** English is the primary language of instruction in many prestigious universities and educational institutions worldwide. Acquiring strong English language skills opens doors to educational opportunities in top-ranked universities, scholarships, and research programs.
3. **Career Advancement:** English language skills are highly valued by employers in various industries. Proficiency in English enhances employability and opens doors to a wider range of job opportunities, both locally and internationally. Many high-paying jobs require a strong command of English, especially in fields such as international business, tourism, journalism, and academia.
4. **Cultural Enrichment:** English is not just a language; it is also a gateway to literature, art, and culture. By learning English, individuals gain access to a vast collection of literary masterpieces, films, music, and other forms of creative expression. This exposure expands cultural horizons and provides a deeper understanding of the world.

After completing a degree in English language studies, individuals can pursue various rewarding career paths like Content Writer, Editor, English Language Teacher, Translator/Interpreter and Public Relations Specialist:

Success

My. Success is Just delayed and not denied with this thought I never quit and always strive. For the right time is know, only to divine. I know that everything will soon be best and Perfectly fine.

Great victories need immense sweat and blood to be put in.

And so I never let myself collapse and give in. Never matters who says and thinks what, how you'll shine?

If you work hard with patience.

Success is thine.

Coz it comes to those who dissolve them selves to quench their thirst.

Rather than people who in tears, get burst. At times you right be alone like the luminous star in the sky.

Yet keep your accessible for each Passer by Be welcoming for all critiques from whom you certainly will learn,

Get cut and polised polished like the diamond that glows like none.

Name Neha Tomar
Class. BA 3rd year
Roll No. 21316

Quotation

If you fail never give up because FAIL means First Attempt in Learning
"Failure will never overtake me. If my determination to succeed is strong enough"

All of us do not have equal talent. But all of us have an equal opportunity to develop our talent"

"The purpose of education is to make good human beings will skill and expertise enlightened human beings can be created by teachers"

"English is necessary as at present original works of science are in English. I believe that in two decades times original works of science will start coming out in our languages. Then we can more over like the Japanese."

A. P. J. Abdul Kalam

“Maan Ganga”

Gangas ! O Mother ! the Sacred river
 you clean our body, you clean our soul
 you clan and make Sacred the life

you clean each and you every Particle
 you Clean the pain, you clean the sin
 you clean each dirty spot of life
 you clean every you whosoever takes dip
 you clean mirror of his life

you clean the greed, gluttony wrath
 you Clean pride sloth enemy and lie
 you make the eternal Vision' Clear
 and you remove obstacles of life

Name-Priyanshi Tomar
 Class. BA2nd year
 Roll No. -22303

Take control of time

Time is slow
 when you wait
 Time is fast
 When you're late
 Time is short
 When you are happy
 Time is endless
 When you are in pain
 And more of that
 Past is a waste paper
 Present is a question paper
 So read and write carefully
 otherwise your life will
 be a tissue Paper
 So Take control of time
 And save your life

Name Sonika
 BA 2nd year
 Roll No. 22308

Nothing is Impossible

The word itself
 say "I'm possible"

I will success in life
 not immediately
 But definitely.

“Success is not just about
 what you accomplish in your life,
 it's is about what you
 Inspire other to do.”

Always end the day with a
 positive thought. No matter how
 hard today was, tomorrow is
 fall possibilities.

एनएसएस पर कविता

हम सब ने बांटा एक दूसरे को प्यार और क्या कहूं इस विषय में,
यह है मेरा एनएसएस परिवार
जब मिले थे हम सभी तो थे एक अजनबी पर
अब ऐसा लगता है परिवार बन गए हम।
सभी एक बार जुड़कर एनएसएस से अलग नहीं जाना चाहोगे
और बार बार सिर्फ लक्ष्यगीत गाना चाहोगे।
यह है मेरा एनएसएस परिवार

नफरतों को बांटकर हम नस्ले बोएँ प्यार की।
कुछ अपनों के विश्वास की कुछ सपनों के संसार की।

अपनेपन की बगिया में खुशहाली का द्वार
जीवन भर की पूंजी है एनएसएस परिवार
यह है मेरा एनएसएस परिवार

धन्यवाद

Motivation Thought

काम ऐसा करो कि पहचान बन जाए,
हर कदम ऐसा चलो कि निशान बन जाए,
यहां जिन्दगी तो हर कोई काट लेता है,
जिन्दगी जियो इस कदर कि मिसाल बन जाए।

हवाओं के भरोसे मत उड़,
चट्टानें तूफानों का भी रुख मोड़ देती हैं।
अपने पंखों पर भरोसा रख
हवाओं के भरोसे तो पतंगें उड़ा करती हैं।

जातिवाद का स्वरूप

देख कर इंसान का व्यवहार समाज की हालत सुनाती हूँ..
रखा है क्या जात पात में इंसान की क्रूरता बताती हूँ।

घर में बच्चों को जो ये जाति का पाठ पढ़ाया है
जात नाम का कचरा भरकर ऊंच नीच का भाव बनाया है।
हुआ अब बड़ा वो बच्चा छुआछूत को अपनाता है
जातिवाद को बढ़ावा देकर
पीढ़ी दर पीढ़ी को जातिवाद का बीज बुनाता है

हुई तकलीफ उन्हें बैठ न जाए बराबर कहीं हुई पंक्ति अलग हुई
थाली अलग, बंटवारा हुआ ये यहीं-कहीं।

मानव ने क्या, सोचा कभी क्या यही हमारे संस्कार है,
क्या यही हमारी शिक्षा है

अरे जात-पात को छोड़कर यारों,
भाईचारे को अपनाओ तुम,

भारतीय है धर्म हमारा
मानवता हमारी जाति है।
अपनाओ सभी इन दोनों को शिक्षा यही हमारी है।

हिन्दी भाषा

हिन्दी है भारत की भाषा
अपना लो इसे बचेगी तुम्हारी जीने की आशा,
भारत देश स्वतंत्र भले ही हुआ है
परंतु छूटी नहीं हमारे मुख से
यह अंग्रेजी गुलामी की भाषा।

हिन्दी है स्वाभिमान आत्मगौरव की भाषा
अपना कर इसे बना दो पूरे ब्रह्मांड की भाषा
हिन्दी भाषा में अक्षरों का भेद नहीं
करती यह तुमको कभी कैद नहीं
अपनाकर हिन्दी भाषा तोड़दो इन गुलामी की बेड़ियों को
और न्यौछावर कर हिन्दी को आने वाली पीढ़ियों पर,
बना दे हिन्दी को फिर से व्यापार और घर परिवार की भाषा।

अपना मन इस पर न्यौछावर करके
बना दो इसे जन-2 की भाषा
छोड़ दे यह गुलामी की भाषा
और शुरू कर यह हिन्दी भाषा।

इसलिए उठो जागो और अपनाओ हिन्दी भाषा
प्रचार करके इसका, बनाओ विश्व की भाषा।

महिला पर कविता

न अबला न बेचारी हूँ,
मैं आज के युग की नारी हूँ।
कम करके मुझको मत आँको,
मैं सारे जग पर भारी हूँ।
न अबला न बेचारी हूँ,
मैं आज के युग की नारी हूँ।

सदियों से जी औरों के लिए,
सदियों से अत्याचार सहे।
हर बात को सीमा होती है
ऐसे घुट-2 कर कौन रहे।

नहीं डरती हूँ मैं दुनिया से
अपनों से सदा मैं हारी हूँ।
कम करके मुझको मत आँको,
मैं आज के युग की नारी हूँ।

मैं बाहर काम पर जाती हूँ,
परिवार का हाथ बँटाती हूँ।
हर काम में हिस्सा लेती हूँ,
गृहस्थी की गाड़ी चलाती हूँ।

मन से कोमल न अबला हूँ,
मैं अपने अपने दम पर सबला हूँ।
तुम जैसे मुझको देखोगे
लक्ष्मी, काली और दुर्गा हूँ।
कम करके मुझको मत आँको
मैं आज के युग की नारी हूँ।

शिक्षा

सही ज्ञान, सत्य वचनों से परिचित
करवाती है शिक्षा।

छोटे, बड़े बुजुर्ग सभी का
सम्मान करना सिखाती है शिक्षा।

गरीब, अमीर का भेदभाव मिटाकर
सभी को सम्मान दिलाना सिखाती है शिक्षा।
छोटे, बड़े किसी भी क्षेत्र में काम करने वाले लोगो का
सम्मान करना सिखाती है शिक्षा।
जाति, धर्म लिंग आदि के
भेदभाव को मिटाती है शिक्षा।
सही, गलत का ज्ञान कराती है शिक्षा।

अन्याय से न्याय दिलाती शिक्षा।
शिक्षा से ही देश महान है,
शिक्षा अपनी शान है।
शिक्षा से ही आत्म सम्मान है।
शिक्षा से ही शिक्षित इंसान है
और शिक्षित इंसान से ही सभ्य समाज है।

सफलता

खुद की काबिलियत पर भरोसा रख
जो गलती आज की है उससे सीख
मत मांग किसी के आगे
अपनी सफलता के लिए भीख।

तू जलता हुआ रेगिस्तान है
तेरे अन्दर कुछ करने की ठान है
तू रुक मत तुझे करना कुछ महान है।

तू अपने घर वालों की आस है
उनकी उम्मीदों की सांस है
इनको यूं ही नहीं जाया करना है
अपनी सफलता के लिए लड़ना है.....

माँ का आशीवाद पिता का साया इनसे मैंने सब कुछ पाया

मैं और मेरे पिता

जब मैं 3 वर्ष की थी तब मैं सोचती थी कि मेरे पापा दुनिया के सबसे मजबूत और ताकतवर व्यक्ति है।
जब मैं 6 वर्ष की हुई तो मैंने महसूस किया मेरे पापा दुनिया के सबसे ताकतवर नहीं बल्कि समझदार व्यक्ति भी है।
जब मैं 9 वर्ष की हुई तो मुझे लगा कि मेरे पिता दुनिया की हर चीज के प्रति समझदार है।
जब मैं 12 वर्ष की हुई तब मुझे लगा कि मेरे पापा मेरे दोस्तों के पापा के मुकाबले ज्यादा समझदार है।
जब मैं 15 वर्ष की हुई तो मैंने महसूस किया मेरे पिता को दुनिया के साथ चलने में कुछ और जान की जरूरत है।
जब मैं 20 साल की हुई तो मुझे महसूस हुआ कि मेरे पापा किसी और ही दुनिया के है और वो हमारी सोच के साथ नहीं चल सकते।
जब मैं 25 वर्ष की हुई तो मुझे लगा कि मुझे किसी भी काम को करने के लिए अपने पिता से सलाह नहीं लेनी चाहिए।
क्योंकि उनमें हर काम में कमी निकालने की आदत सी पड़ गई है।
जब मैं 30 वर्ष की हुई तो मुझे लगा कि मेरे पिता को मेरी नकल से कुछ समझ आ गई।
जब मैं 35 वर्ष की हुई तो मुझे लगा कि उनसे छोटी-छोटी बातों के लिए सलाह ली जा सकती है।
जब मैं 40 वर्ष की हुई तो लगा कि जरूरी मामलों में पिता जी से सलाह ली जाए।
जब मैं 50 वर्ष की हुई तो मैंने फैसला किया कि मुझे मेरे पिता की सलाह के बिना कोई काम नहीं करना चाहिए क्योंकि मुझे यह ज्ञान हो चुका है कि मेरे पापा दुनिया के सबसे समझदार व्यक्ति है। पर पहले मैं इस फैसले पर अमल कर पाती मेरे पिता इस संसार को अलविदा कह गए। फिर उस समय उनकी यादों को लेकर कुछ याद न रहा।

तू कुछ करके दिखा

तू अपनी खुशियां दूँद

खामियाँ दूँदने के लिए लोग हैं ना

अगर रखना है कदम तो आगे रख

पीछे खींचने के लिए लोग हैं ना

सपना देखना है तो ऊँचा देख,

नीचा दिखाने के लिए लोग हैं ना

तू अपने अंदर जुनून की चिंगारी भड़का

जलने के लिए लोग कुछ हैं ना

प्यार करना है तो खुद से कर

नफरत करने के लिए लोग हैं ना

तू अपनी अलग पहचान बना

भीड़ में चलने के लिए लोग हैं ना

तू कुछ करके दिखा दुनिया वालों को

तालियाँ बजाने के लिए लोग हैं ना

संघर्ष

कभी जिंदगी ने मेरी न मानी,
कभी मैंने जिंदगी की मानी।
दौर ये आया कि संघर्ष ही साथ लाया ॥

जिंदगी कहती रही मेरे साथ चलो,
मैंने हंस कर टाला और कहा।
मेरे रास्ते बदल गए है,
अब मंजिल वो नहीं रहे॥

जिंदगी ने कभी मेरे साथ संघर्ष किया
कभी मैंने जिंदगी के साथ।
वक्त की आंधी ऐसी आयी,
बदलाव का दौर साथ लायी ॥

बदले हुए अनजान रास्ते हैं,
इन रास्तो पर अकेले चलना है।
लड़खड़ाये कदम तो खुद ही गिरना
और खुद ही संभलना है ॥

बस यँही अब आगे बढ़ना है,
गिरना और संभलना है।
संघर्ष ही तो जीवन है,
जीवन ही तो संघर्ष है ॥

पिता

पापा हर फर्ज निभाते है
जीवन भर कर्ज चुकाते है,
बच्चे की एक खुशी के लिए
अपने सुख भूल ही जाते है,
बच्चे कुछ कर ही नहीं पाते
ऐसे बच्चे पापा को क्यों,
पापा कहने में भी हिचकिचाते है
पापा का आशीष बनाता है
बच्चे का जीवन सुखदाई
पर बच्चे भूल जाते है

यह कैसी आँधी है आई
जिससे सब कुछ पाया है,
जिसने सब कुछ सिखलाया है
कोटि-कोटि नमन ऐसे पापा को,
जिसने हर पल साथ निभाया है
प्यारे पापा के प्यार भरे
सीने से जो लग जाते है,
सच कहती हूँ विश्वास करो
जीवन मे सदा सुख पाते हैं।

तुम क्यों कहते हो

तुम क्यों कहते हो कि तुम्हारे पास ये नहीं है तुम क्यों कहते हो कि मैं गरीब हूँ तुम क्यों कहते हो कि मैं अमीर घर से नहीं आता अगर सच में कोई दिक्कत है, तो उस दिक्कत को दूर करो ना।

जिन्दगी में बहाने बनाने से और कमियाँ निकाल कर किसी और को बताने से जिन्दगी में कभी कामयाबी नहीं मिलती।

अगर सच में कामयाब होना है तो इन कमियों पर चलना सीखो क्योंकि जितना जल्दी तुम कमियों पर चलना सीखोगे उतनी ही जल्दी कामयाबी का रास्ता तुम्हारे लिए आसान हो जायेगा। और जब तुम चलोगे तो तुम्हारी कमियाँ दूर हो जायेगी।

बाजार

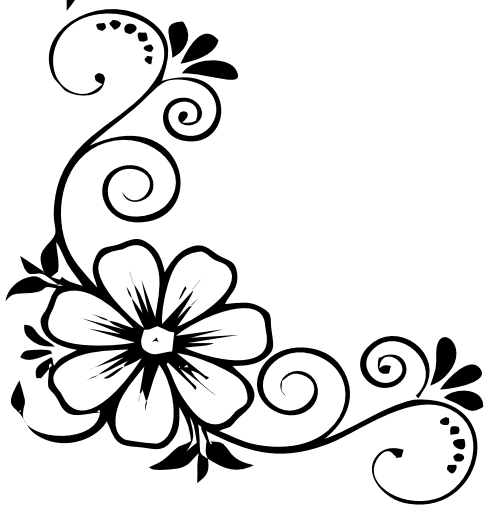

कई बार देखा है मैंने
लोगों को बेचते हुए
बिकते हुए
हर बार उम्मीदें टूट जाती है।
जिंदगानी के इस बाजार में.....

वैसे तो हर कोई,
गिन- तोलकर ही देता है
लेता है.....
पर हर बार कुछ यादे छूट जाती है।
जिंदगानी के इस बाजार में.....

कई रिश्ते बूझ जाते है यहां
हर कोई सोच समझ के आता है
जाता है.....
पुर अक्सर अपने ही रूठ जाते है
जिंदगानी के इस बाजार में.....

कुछ सालों बाद पता चलता है
आज भी बाजार वैसे ही चल रहा है
और हम भी औरों की तरह भागते रहे
जिंदगानी के इस बाजार में।

आमो पाछी आरुई मिठोडे रोसे
मारे जाणो बुरासो के पोईले पोशे।
कुके खाणी आरुई जोबे बईदे गए आए
उदिया और मोइना ओजो बिना आए।
शिए न शिए आउटिए काला भाशो काओ
जाईदी बेटा बसिया मोईना दिए धाओ।

धाओ देओ बसिया मोईना बीनी शूणो
नी पाए मोईना बिन्दी राबे बुणो।
आगिणी दी माई रूई ओटांली दा बाबा
धोरी रोआ मोईना रा ढाबा।
पुली कोरो पुलिटू ढाली पूलो ढाए
धारो रे गुआलटू पुछिणो तो लाए
कसिके तू बहिणी कोके दे तू आए
बसियारे बहिणी शालिने दे आए
कसिकिए तू दिओ किया तेरो नाओ
बसियारे दिओ मोईना मेरो नाओ।
डुलो नाबे नंगारो हुणो मारो हुणो नि पाए
मोइना बिन्दी राखे बूणो।
